

SAVE THE DATE

Eastern Iowa Green Infrastructure Conference

October 18th, 2018

7:30AM - 4:30PM

Indian Creek Nature Center, Cedar Rapids

KEYNOTE SPEAKER

Jim Patchett

Conservation Design
Forum

PLENARY SPEAKER

Wes Saunders-Pearce

City of Saint Paul,
Minnesota

Join us for a breakfast session designed specifically for elected officials and city administration. The full day includes training on design, practice, and policy and is the perfect event for municipal leaders and staff, design professionals, and developers.

Conference topics include: Iowa and Minnesota case studies, local ordinances and the Unified Sizing Criteria, national retrofit examples, and much more!

ISWEP is also offering an afternoon bus tour featuring green infrastructure around the Cedar Rapids metro. This is an optional pre-conference tour on October 17th.
