

THE 712 INITIATIVE

Redevelopment Project Manager

Organization Background

The 712 Initiative is a 501(c)3 nonprofit aimed at improving the economic vitality in redevelopment areas through investments in built environment, activating public spaces and delivering programs that increase social engagement and healthy lifestyles.

As Council Bluff's lead place-making agency, The 712 Initiative will focus on the community's existing assets by amplifying the built environment while eliminating slum and blight in order to stimulate the local economy, activities, and wellness. Through effective partnerships and promotion of existing programs, this place-making agency will develop innovative solutions to strengthen the city's downtown and West Broadway areas thus improving housing conditions, encouraging healthier lifestyle choices and making Council Bluffs a destination among residents and visitors.

In early 2016, the Pottawattamie County Development Corporation (est. 1997), a 501(c)3 nonprofit corporation, merged with Bluffs Downtown (Main Street Council Bluffs) and Live Well Council Bluffs to establish The 712 initiative, an organization that would have greater impact on revitalization efforts undertaken in the City of Council Bluffs, Iowa. Working along with the Housing Trust Fund and Habitat for Humanity of Council Bluffs, The 712 Initiative is the lead agency in a consortium applying place based community development principals in Council Bluffs, Iowa, with a strategic focus on the Downtown District. The organization is primarily funded through a special initiative through the Iowa West Foundation.

The 712 Initiative Redevelopment Manager, with the direct oversight of the CEO will specifically work towards the following goals for the organization:

1. Increase the variety of quality housing and commercial stock in Council Bluffs.
 - a. Ensure there is a consistent amount of projects in the redevelopment pipeline.
 - b. Increase the number of housing units in Downtown and the west end 1st Ave. corridor.
 - c. Increase the tax base of key focus areas.
 - d. Increase the number of businesses in key focus areas.

2. Attraction of new professionals and residents in the community.
 - a. Increase homeownership in low rent neighborhoods.
 - b. Increase the number of people living downtown and along the west end 1st Ave. corridor.
 - c. Increase the median income in key focus areas.
3. Attraction of new property investment in the community, especially through the introduction of new developers.
 - a. Leverage public and private financing so that developers can achieve a market rate of return on their investment.
 - b. Promote and market potential redevelopment projects.
4. Increase partnerships with the public and private sector while lessening the burdens of government.
 - a. Leverage 712 organizational and financial assets for sustainable community programming.

Job Summary

To assist the Chief Executive Officer with the day-to-day operation and implementation of the programs and activities associated with the 712 Initiative. Primary emphasis will be on redevelopment activities as identified in the organization's strategic and work plans, the community's comprehensive plan, Council Bluffs Downtown Plan and the Iowa West Foundation's strategic plan and as directed by the 712 Board of Directors.

Applicant must have the willingness to work under the direct supervision of the CEO until such a time deemed appropriate. Creative control will be steadily given to the Redevelopment Manager based on merit and performance. Excellent potential for advancement. Responsibilities may include other duties as assigned from time to time.

Reporting

The Redevelopment Project Manager will report daily to the Chief Executive Officer and will submit monthly written reports to the 712 Board of Directors. The position also requires quarterly reports that be distributed to various partners including but not limited to, the Iowa West Foundation and the City of Council Bluffs. The piece will reinforce the redevelopment activities of the organization and its importance to the community.

Areas of Responsibility

Works with The 712 Initiative CEO in coordinating redevelopment projects. Includes seeking and identifying community development related funding from federal, state and private sources; prepares and manages Low-Income Housing Tax Credit applications for mixed use and income projects; prepares bid packages; manages construction projects and contracts; assists with property acquisition, financing and relocation; prepares requests for proposals and administers the proposal process; prepares reports, recommendations and memoranda.

Manages multiple projects concurrently and in great detail.

Assist in the review of loan and grant requests for owner occupied and developer driven downtown redevelopment projects for the 712 Initiative's gap financing program, the Downtown Revitalization Fund.

Prepares project financing applications for 712 led redevelopment projects. Knowledge of Low-Income Housing Tax Credits and Rehabilitation Tax Credits a plus.

Manages and markets real estate assets, oversees property management, coordinates the acquisitions and disposition of real estate, manages infrastructure financing and construction; assists in pro forma review, developer and contractor selection, contract preparations and management and real estate project oversight; assists the CEO and the City Community Development Director in creating and implementing specific development concepts in support of established community goals.

Prepares a variety of narrative, statistical and financial reports, conducts specific studies, research and analysis; assists with planning, developing, implementing and administering redevelopment projects. Including revitalization of commercial and mixed use projects, elimination of blighted conditions, conservation and improvement of residential housing and housing opportunities.

Monitors existing projects for contract compliance.

Assists in securing partnership input and approval including but not limited to: the general public, elected officials, 712 Board and Committee members and City staff.

Assists in the exploration, development and adoption of a local SSMID (BID) for ongoing sustainability of organization and projects.

The Redevelopment Project Manager, at the direction of the Chief Executive Officer will work with 712 event and neighborhood staff to incorporate place based strategies for proposed redevelopment and new construction projects.
